At Whitleigh, we recognise each child as an individual, and aim to give all children every opportunity to realise their full potential. We believe that a close partnership between the school, parents and carers and the child is essential if we are to achieve this aim. It is therefore an expectation that all parents who wish their children to attend Whitleigh will sign up to our Home-School Agreement.

A Home-School Agreement is a statement that outlines the partnership between you, your child and your child's school. Our partnership values each person's role in helping each child to be safe, happy and successful. The agreement below sets out the policies and procedures and school's responsibilities towards its pupils and parents and carers, the responsibilities of the pupil's parents and carers, and what's expected of pupils.

We also ask parents to ensure that their children sign the Home-School agreement.
